

OPEN SESSION ON EXPERIMENTAL AND MODELLING TECHNIQUES FOR THE EXPLORATION AND SUSTAINABLE UTILIZATION OF THE MOON

During the chat session:

- we will follow the abstracts with uploaded material order.
- each author will have the opportunity to introduce their work in a couple of lines.
- the participants will be free to ask questions about the topic presented.

Before and After the chat session:

- authors and colleagues can keep discussions offline until the end of the month in the EGU discussion platform.
-
