

SM4.3

Imaging, modelling and inversion to explore the Earth's lithosphere

Convener:

Michał Malinowski

Co-convener:

Matthew Agius, Giovanni Diaferia, Milena Marjanovic, Cedric Schmelzbach

Slot 1 - 08 May, 08:30–10:15

Chairpersons: Michal Malinowski, Cedric Schmelzbach, Matthew Agius

Slot 2 - 08 May, 10:45–12:30

Chairpersons: Milena Marjanovic, Giovanni Diaferia, Matthew Agius

Session details:

- Displays will be presented and discussed using the live EGU chat-room, in order of appearance.
- Authors will be asked to write/copy a **2-5 sentences** introduction to their work.
- It will follow a **5 min. discussion** for questions/comments.
- A convener will write **“STOP”** when a discussion reaches the time limit. Participants are encouraged to continue the discussion by commenting the displays outside the chat-room.
