

**We welcome you all to the AS3.21 Air pollution modelling session of EGU online 2020!**

Please make sure to upload any material in a timely manner so that participants have the opportunity to look at it and have questions prepared!

The session will start at **16:15 sharp!** You can enter the chat 15 minutes prior to the starting time.

Each abstract will have a dedicated time of 3 or 4 minutes for questions from the participants. Make sure to have a short text prepared to post in the chat when your time starts to remind the rest of the participants the main idea and aspects of your work.

You can find the schedule here:
