

Do TV weather presenters networks make a difference?

G. Fleming (1) and T. Cegnar (2)

(1) Met Éireann, (2) Environmental Agency of Slovenia, Ljubljana, Slovenia (tanja.cegnar@gov.si, +386 1 4784074)

Professional organizations and networks of TV weather presenters have a relatively long tradition. Why were they established? What is their role? What are their achievements? This and many other questions will be answered.
